AI Tools & Assistants	CATEGORY	SUBCATEGORY
Conversational AI		
ChatGPT (OpenAI) - The one everyone knows	AI Tools & Assistants	Conversational AI
Claude (Anthropic) - The thoughtful alternative	AI Tools & Assistants	Conversational AI
Gemini (Google) - The search giant's answer	AI Tools & Assistants	Conversational AI
Copilot (Microsoft) - Integrated with Office	AI Tools & Assistants	Conversational AI
Perplexity - AI search with citations	AI Tools & Assistants	Conversational AI
Character.AI - Roleplay and character chats	AI Tools & Assistants	Conversational AI
Poe (Quora) - Multiple AI models in one place	AI Tools & Assistants	Conversational AI
You.com - AI search engine	AI Tools & Assistants	Conversational AI
Bing Chat - Microsoft's search AI	AI Tools & Assistants	Conversational AI
Bard (Google) - Now merged into Gemini	AI Tools & Assistants	Conversational AI
AI Writing & Content		
Jasper - Marketing copy specialist	AI Tools & Assistants	AI Writing & Content
Copy.ai - Sales and marketing content	AI Tools & Assistants	AI Writing & Content
Writesonic - All-purpose AI writer	AI Tools & Assistants	AI Writing & Content
Grammarly - Writing assistant (now AI-powered)	AI Tools & Assistants	AI Writing & Content
Notion AI - Built into Notion workspace	AI Tools & Assistants	AI Writing & Content
Quillbot - Paraphrasing and rewriting	AI Tools & Assistants	AI Writing & Content
Rytr - Budget-friendly AI writer	AI Tools & Assistants	AI Writing & Content
Wordtune - Sentence rewriting	AI Tools & Assistants	AI Writing & Content
Hemingway Editor - Writing clarity tool	AI Tools & Assistants	AI Writing & Content
ProWritingAid - Grammar and style checker	AI Tools & Assistants	AI Writing & Content
AI Code & Development		
GitHub Copilot - Code completion in IDEs	AI Tools & Assistants	AI Code & Development
Cursor - AI-powered code editor	AI Tools & Assistants	AI Code & Development
Replit - Online coding with AI	AI Tools & Assistants	AI Code & Development
Tabnine - AI code completion	AI Tools & Assistants	AI Code & Development
CodeWhisperer (Amazon) - AWS-focused coding AI	AI Tools & Assistants	AI Code & Development
Claude Code (Anthropic) - Terminal-based coding	AI Tools & Assistants	AI Code & Development
Windsurf - AI development environment	AI Tools & Assistants	AI Code & Development
Zed - Collaborative coding with AI	AI Tools & Assistants	AI Code & Development
Codeium - Free AI coding assistant	AI Tools & Assistants	AI Code & Development
Sourcegraph Cody - Enterprise code AI	AI Tools & Assistants	AI Code & Development
AI Design & Creative		
Midjourney - AI image generation	AI Tools & Assistants	AI Design & Creative
DALL-E (OpenAI) - Image creation	AI Tools & Assistants	AI Design & Creative
Stable Diffusion - Open-source image AI	AI Tools & Assistants	AI Design & Creative
Canva AI - Design with AI assistance	AI Tools & Assistants	AI Design & Creative
Adobe Firefly - Creative AI suite	AI Tools & Assistants	AI Design & Creative
Figma AI - Design assistance in Figma	AI Tools & Assistants	AI Design & Creative
Runway - AI video editing	AI Tools & Assistants	AI Design & Creative
Luma AI - 3D capture and generation	AI Tools & Assistants	AI Design & Creative
ElevenLabs - AI voice generation	AI Tools & Assistants	AI Design & Creative
Synthesia - AI video generation	AI Tools & Assistants	AI Design & Creative
AI Productivity & Business		
Notion AI - Workspace intelligence	AI Tools & Assistants	AI Productivity & Business
Zapier AI - Automation with intelligence	AI Tools & Assistants	AI Productivity & Business
Monday.com AI - Project management AI	AI Tools & Assistants	AI Productivity & Business
HubSpot AI - CRM with AI features	AI Tools & Assistants	AI Productivity & Business
Salesforce Einstein - Sales AI	AI Tools & Assistants	AI Productivity & Business
Calendly AI - Smart scheduling	AI Tools & Assistants	AI Productivity & Business
Otter.ai - Meeting transcription	AI Tools & Assistants	AI Productivity & Business
Fireflies.ai - Call recording and AI notes	AI Tools & Assistants	AI Productivity & Business
Krisp - AI noise cancellation	AI Tools & Assistants	AI Productivity & Business
Beautiful.ai - AI presentation maker	AI Tools & Assistants	AI Productivity & Business
Productivity & Task Management		
Task & Project Management		
Todoist - Natural language task management	Productivity & Task Management	Task & Project Management

Things 3 (Mac/iOS) - Elegant task management	Productivity & Task Management	Task & Project Management
Any.do - Simple task lists	Productivity & Task Management	Task & Project Management
TickTick - Feature-rich task manager	Productivity & Task Management	Task & Project Management
Remember The Milk - Old-school task management	Productivity & Task Management	Task & Project Management
OmniFocus (Mac/iOS) - GTD methodology	Productivity & Task Management	Task & Project Management
2Do - Flexible task management	Productivity & Task Management	Task & Project Management
Microsoft To Do - Simple Microsoft integration	Productivity & Task Management	Task & Project Management
Google Tasks - Basic Google integration	Productivity & Task Management	Task & Project Management
Apple Reminders - Built-in iOS/Mac tasks	Productivity & Task Management	Task & Project Management
Project Management Platforms		
Asana - Team project management	Productivity & Task Management	Project Management Platforms
Trello - Kanban-style boards	Productivity & Task Management	Project Management Platforms
Monday.com - Visual project management	Productivity & Task Management	Project Management Platforms
ClickUp - All-in-one workspace	Productivity & Task Management	Project Management Platforms
Notion - Notes, docs, and project management	Productivity & Task Management	Project Management Platforms
Airtable - Database-meets-spreadsheet	Productivity & Task Management	Project Management Platforms
Basecamp - Simple project collaboration	Productivity & Task Management	Project Management Platforms
Wrike - Enterprise project management	Productivity & Task Management	Project Management Platforms
Smartsheet - Spreadsheet-based PM	Productivity & Task Management	Project Management Platforms
Linear - Developer-focused project management	Productivity & Task Management	Project Management Platforms
Advanced Project Management		
Jira - Software development tracking	Productivity & Task Management	Advanced Project Management
Azure DevOps - Microsoft development suite	Productivity & Task Management	Advanced Project Management
GitHub Projects - Code-integrated planning	Productivity & Task Management	Advanced Project Management
GitLab - DevOps platform	Productivity & Task Management	Advanced Project Management
Clubhouse (now Shortcut) - Software team management	Productivity & Task Management	Advanced Project Management
Height - Visual project management	Productivity & Task Management	Advanced Project Management
Plane - Open-source project management	Productivity & Task Management	Advanced Project Management
Teamwork - Business project management	Productivity & Task Management	Advanced Project Management
Workfront (Adobe) - Enterprise work management	Productivity & Task Management	Advanced Project Management
Clarizen - Project portfolio management	Productivity & Task Management	Advanced Project Management
Communication & Collaboration		
Team Communication		
Slack - The workplace chat king	Communication & Collaboration	Team Communication
Microsoft Teams - Office 365 integration	Communication & Collaboration	Team Communication
Discord - Gaming-turned-business chat	Communication & Collaboration	Team Communication
Zoom - Video conferencing standard	Communication & Collaboration	Team Communication
Google Meet - Simple video calls	Communication & Collaboration	Team Communication
Webex - Enterprise video conferencing	Communication & Collaboration	Team Communication
GoToMeeting - Business video platform	Communication & Collaboration	Team Communication
Telegram - Secure messaging	Communication & Collaboration	Team Communication
WhatsApp Business - Business messaging	Communication & Collaboration	Team Communication
Async Communication		
Loom - Screen recording messages	Communication & Collaboration	Async Communication
BombBomb - Video email platform	Communication & Collaboration	Async Communication
Vidyard - Video messaging for sales	Communication & Collaboration	Async Communication
Soapbox - Wistia's video messages	Communication & Collaboration	Async Communication
Yac - Voice messages for teams	Communication & Collaboration	Async Communication
Vimeo Record - Screen and webcam recording	Communication & Collaboration	Async Communication
ScreenPal - Screen recording tool	Communication & Collaboration	Async Communication
Snagit - Screenshots and recordings	Communication & Collaboration	Async Communication
CloudApp - Visual communication	Communication & Collaboration	Async Communication
Monosnap - Screenshot annotation	Communication & Collaboration	Async Communication
Document Collaboration	Communication & Collaboration	Document Collaboration
Google Workspace - Docs, Sheets, Slides	Communication & Collaboration	Document Collaboration
Microsoft 365 - Word, Excel, PowerPoint online	Communication & Collaboration	Document Collaboration
Dropbox Paper - Collaborative writing	Communication & Collaboration	Document Collaboration
Notion - All-in-one workspace	Communication & Collaboration	Document Collaboration
Coda - Documents that act like databases	Communication & Collaboration	Document Collaboration

Craft - Block-based writing	Communication & Collaboration	Document Collaboration
Obsidian - Linked note-taking	Communication & Collaboration	Document Collaboration
Roam Research - Networked thought	Communication & Collaboration	Document Collaboration
LogSeq - Open-source knowledge management	Communication & Collaboration	Document Collaboration
RemNote - Note-taking with spaced repetition	Communication & Collaboration	Document Collaboration
CRM & Sales Tools		
Customer Relationship Management		
Salesforce - The enterprise giant	CRM & Sales Tools	Customer Relationship Management
HubSpot - Inbound marketing CRM	CRM & Sales Tools	Customer Relationship Management
Pipedrive - Visual sales pipeline	CRM & Sales Tools	Customer Relationship Management
Zoho CRM - Affordable business suite	CRM & Sales Tools	Customer Relationship Management
Freshsales - Freshworks CRM solution	CRM & Sales Tools	Customer Relationship Management
Monday.com CRM - Project management meets CRM	CRM & Sales Tools	Customer Relationship Management
Airtable - Database-style CRM	CRM & Sales Tools	Customer Relationship Management
Notion - DIY CRM solution	CRM & Sales Tools	Customer Relationship Management
Copper - Google Workspace CRM	CRM & Sales Tools	Customer Relationship Management
ActiveCampaign - Email marketing + CRM	CRM & Sales Tools	Customer Relationship Management
Sales & Outreach Tools		
Outreach - Sales engagement platform	CRM & Sales Tools	Sales & Outreach Tools
SalesLoft - Sales development platform	CRM & Sales Tools	Sales & Outreach Tools
Apollo - Sales intelligence platform	CRM & Sales Tools	Sales & Outreach Tools
ZoomInfo - B2B contact database	CRM & Sales Tools	Sales & Outreach Tools
LinkedIn Sales Navigator - Professional networking for sales	CRM & Sales Tools	Sales & Outreach Tools
Calendly - Automated scheduling	CRM & Sales Tools	Sales & Outreach Tools
Acuity Scheduling - Advanced booking	CRM & Sales Tools	Sales & Outreach Tools
Chili Piper - Revenue scheduling	CRM & Sales Tools	Sales & Outreach Tools
Mixmax - Email productivity for sales	CRM & Sales Tools	Sales & Outreach Tools
Boomerang - Email scheduling and tracking	CRM & Sales Tools	Sales & Outreach Tools
Email Marketing & Automation		
Mailchimp - Small business email marketing	CRM & Sales Tools	Email Marketing & Automation
ConvertKit - Creator-focused email marketing	CRM & Sales Tools	Email Marketing & Automation
ActiveCampaign - Marketing automation	CRM & Sales Tools	Email Marketing & Automation
Klaviyo - Ecommerce email marketing	CRM & Sales Tools	Email Marketing & Automation
Campaign Monitor - Email design platform	CRM & Sales Tools	Email Marketing & Automation
Constant Contact - Small business email	CRM & Sales Tools	Email Marketing & Automation
GetResponse - All-in-one marketing	CRM & Sales Tools	Email Marketing & Automation
AWeber - Email marketing automation	CRM & Sales Tools	Email Marketing & Automation
Drip - Ecommerce marketing automation	CRM & Sales Tools	Email Marketing & Automation
Sendinblue (Brevo) - Multi-channel marketing	CRM & Sales Tools	Email Marketing & Automation
Marketing & Social Media		
Social Media Management		
Hootsuite - Multi-platform scheduling	Marketing & Social Media	Social Media Management
Buffer - Simple social scheduling	Marketing & Social Media	Social Media Management
Sprout Social - Enterprise social management	Marketing & Social Media	Social Media Management
Later - Visual content scheduling	Marketing & Social Media	Social Media Management
SocialBee - Content categorization	Marketing & Social Media	Social Media Management
MeetEdgar - Content recycling	Marketing & Social Media	Social Media Management
Agorapulse - Social media management	Marketing & Social Media	Social Media Management
CoSchedule - Marketing calendar	Marketing & Social Media	Social Media Management
Sendible - Agency social management	Marketing & Social Media	Social Media Management
Loomly - Brand success platform	Marketing & Social Media	Social Media Management
Content Creation & Design		
Canva - Drag-and-drop design	Marketing & Social Media	Content Creation & Design
Adobe Creative Suite - Professional design tools	Marketing & Social Media	Content Creation & Design
Figma - Web-based design collaboration	Marketing & Social Media	Content Creation & Design
Sketch - Mac-based design tool	Marketing & Social Media	Content Creation & Design
InDesign - Professional layout design	Marketing & Social Media	Content Creation & Design
Photoshop - Image editing standard	Marketing & Social Media	Content Creation & Design
Illustrator - Vector graphics	Marketing & Social Media	Content Creation & Design

After Effects - Motion graphics	Marketing & Social Media	Content Creation & Design
Premiere Pro - Video editing	Marketing & Social Media	Content Creation & Design
Final Cut Pro - Mac video editing	Marketing & Social Media	Content Creation & Design
Analytics & Insights		
Google Analytics - Website analytics standard	Marketing & Social Media	Analytics & Insights
Facebook Analytics - Social media insights	Marketing & Social Media	Analytics & Insights
Instagram Insights - Built-in Instagram analytics	Marketing & Social Media	Analytics & Insights
Twitter Analytics - Tweet performance tracking	Marketing & Social Media	Analytics & Insights
LinkedIn Analytics - Professional network insights	Marketing & Social Media	Analytics & Insights
TikTok Analytics - Short-form video insights	Marketing & Social Media	Analytics & Insights
YouTube Analytics - Video performance tracking	Marketing & Social Media	Analytics & Insights
Pinterest Analytics - Visual content insights	Marketing & Social Media	Analytics & Insights
Snapchat Insights - Snap ad analytics	Marketing & Social Media	Analytics & Insights
Hotjar - User behavior analytics	Marketing & Social Media	Analytics & Insights
Design & Creative Tools		
Graphic Design		
Canva - Templates for everyone	Design & Creative Tools	Graphic Design
Adobe Creative Suite - Professional standard	Design & Creative Tools	Graphic Design
Figma - Collaborative design	Design & Creative Tools	Graphic Design
Sketch - Mac-based design	Design & Creative Tools	Graphic Design
Affinity Designer - Affordable alternative	Design & Creative Tools	Graphic Design
Gravit Designer - Browser-based design	Design & Creative Tools	Graphic Design
Vectr - Free vector graphics	Design & Creative Tools	Graphic Design
GIMP - Free image editing	Design & Creative Tools	Graphic Design
Pixlr - Online photo editor	Design & Creative Tools	Graphic Design
PicMonkey - Photo editing and design	Design & Creative Tools	Graphic Design
Web Design & Development		
Webflow - Visual web development	Design & Creative Tools	Web Design & Development
Squarespace - Website builder	Design & Creative Tools	Web Design & Development
Wix - Drag-and-drop websites	Design & Creative Tools	Web Design & Development
WordPress.com - Hosted WordPress	Design & Creative Tools	Web Design & Development
Ghost - Publishing-focused CMS	Design & Creative Tools	Web Design & Development
Framer - Interactive design	Design & Creative Tools	Web Design & Development
Bubble - No-code web app builder	Design & Creative Tools	Web Design & Development
Glide - No-code app builder	Design & Creative Tools	Web Design & Development
Adalo - Mobile app builder	Design & Creative Tools	Web Design & Development
Carrd - Simple one-page sites	Design & Creative Tools	Web Design & Development
Video & Animation		
Adobe After Effects - Motion graphics	Design & Creative Tools	Video & Animation
Adobe Premiere Pro - Video editing	Design & Creative Tools	Video & Animation
Final Cut Pro - Mac video editing	Design & Creative Tools	Video & Animation
DaVinci Resolve - Professional color grading	Design & Creative Tools	Video & Animation
Luma Fusion - Mobile video editing	Design & Creative Tools	Video & Animation
Animoto - Automated video creation	Design & Creative Tools	Video & Animation
Vyond - Animated video maker	Design & Creative Tools	Video & Animation
Powtoon - Animation presentation tool	Design & Creative Tools	Video & Animation
Lottie - Web animations	Design & Creative Tools	Video & Animation
Rive - Interactive animations	Design & Creative Tools	Video & Animation
Development & Technical Tools		
Programming Languages		
Frontend Languages		
JavaScript - The web standard	Development & Technical Tools	Frontend Languages
TypeScript - JavaScript with types	Development & Technical Tools	Frontend Languages
HTML/CSS - Web markup and styling	Development & Technical Tools	Frontend Languages
Dart - Google's Flutter language	Development & Technical Tools	Frontend Languages
WebAssembly - High-performance web apps	Development & Technical Tools	Frontend Languages
Backend Languages		
Python - Versatile and beginner-friendly	Development & Technical Tools	Backend Languages

JavaScript/Node.js - Full-stack JavaScript	Development & Technical Tools	Backend Languages
Java - Enterprise standard	Development & Technical Tools	Backend Languages
C# - Microsoft ecosystem	Development & Technical Tools	Backend Languages
Go - Google's efficiency language	Development & Technical Tools	Backend Languages
Rust - Memory-safe systems programming	Development & Technical Tools	Backend Languages
PHP - Web development staple	Development & Technical Tools	Backend Languages
Ruby - Developer happiness focus	Development & Technical Tools	Backend Languages
Scala - Functional JVM language	Development & Technical Tools	Backend Languages
Kotlin - Modern JVM language	Development & Technical Tools	Backend Languages
Mobile Development:		
Swift - iOS native development	Development & Technical Tools	Mobile Development:
Objective-C - Legacy iOS development	Development & Technical Tools	Mobile Development:
Java/Kotlin - Android development	Development & Technical Tools	Mobile Development:
Dart/Flutter - Cross-platform mobile	Development & Technical Tools	Mobile Development:
React Native - JavaScript mobile apps	Development & Technical Tools	Mobile Development:
Xamarin - Microsoft cross-platform	Development & Technical Tools	Mobile Development:
Systems & Low-Level		
C - System programming foundation	Development & Technical Tools	Systems & Low-Level
C++ - High-performance applications	Development & Technical Tools	Systems & Low-Level
Assembly - Hardware-level programming	Development & Technical Tools	Systems & Low-Level
Zig - Modern systems language	Development & Technical Tools	Systems & Low-Level
Frontend Frameworks		
React - Facebook's component library	Development & Technical Tools	Frontend Frameworks
Vue.js - Progressive framework	Development & Technical Tools	Frontend Frameworks
Angular - Google's full framework	Development & Technical Tools	Frontend Frameworks
Svelte - Compile-time framework	Development & Technical Tools	Frontend Frameworks
Next.js - React with server-side rendering	Development & Technical Tools	Frontend Frameworks
Nuxt.js - Vue.js framework	Development & Technical Tools	Frontend Frameworks
Gatsby - Static site generator	Development & Technical Tools	Frontend Frameworks
Astro - Islands architecture	Development & Technical Tools	Frontend Frameworks
Backend Frameworks		
Express.js - Node.js web framework	Development & Technical Tools	Backend Frameworks
Django - Python web framework	Development & Technical Tools	Backend Frameworks
Flask - Lightweight Python framework	Development & Technical Tools	Backend Frameworks
Ruby on Rails - Convention over configuration	Development & Technical Tools	Backend Frameworks
Spring Boot - Java enterprise framework	Development & Technical Tools	Backend Frameworks
ASP.NET Core - Microsoft web framework	Development & Technical Tools	Backend Frameworks
Laravel - PHP web framework	Development & Technical Tools	Backend Frameworks
Gin - Go web framework	Development & Technical Tools	Backend Frameworks
FastAPI - Modern Python API framework	Development & Technical Tools	Backend Frameworks
Mobile Frameworks		
React Native - JavaScript mobile development	Development & Technical Tools	Mobile Frameworks
Flutter - Google's UI toolkit	Development & Technical Tools	Mobile Frameworks
Ionic - Hybrid mobile apps	Development & Technical Tools	Mobile Frameworks
PhoneGap/Cordova - Web-based mobile apps	Development & Technical Tools	Mobile Frameworks
NativeScript - Native mobile with web skills	Development & Technical Tools	Mobile Frameworks
Code Editors & IDEs		
Visual Studio Code - Microsoft's free editor	Development & Technical Tools	Code Editors & IDEs
JetBrains Suite - Professional IDEs (IntelliJ, PyCharm, WebStorm)	Development & Technical Tools	Code Editors & IDEs
Sublime Text - Fast text editor	Development & Technical Tools	Code Editors & IDEs
Atom - GitHub's hackable editor	Development & Technical Tools	Code Editors & IDEs
Vim/Neovim - Terminal text editors	Development & Technical Tools	Code Editors & IDEs
Emacs - Extensible text editor	Development & Technical Tools	Code Editors & IDEs
Brackets - Adobe's web editor	Development & Technical Tools	Code Editors & IDEs
CodePen - Online code playground	Development & Technical Tools	Code Editors & IDEs
JSFiddle - JavaScript testing	Development & Technical Tools	Code Editors & IDEs
Repl.it - Online IDE	Development & Technical Tools	Code Editors & IDEs
Xcode - Apple's development environment	Development & Technical Tools	Code Editors & IDEs

Android Studio - Google's Android IDE	Development & Technical Tools	Code Editors & IDEs
Version Control & Collaboration		
GitHub - Git repository hosting	Development & Technical Tools	Version Control & Collaboration
GitLab - DevOps platform	Development & Technical Tools	Version Control & Collaboration
Bitbucket - Atlassian's Git solution	Development & Technical Tools	Version Control & Collaboration
Azure DevOps - Microsoft development	Development & Technical Tools	Version Control & Collaboration
SourceForge - Open source hosting	Development & Technical Tools	Version Control & Collaboration
CodeCommit - AWS Git service	Development & Technical Tools	Version Control & Collaboration
Perforce - Enterprise version control	Development & Technical Tools	Version Control & Collaboration
Subversion - Centralized version control	Development & Technical Tools	Version Control & Collaboration
Mercurial - Distributed version control	Development & Technical Tools	Version Control & Collaboration
Bazaar - Distributed version control	Development & Technical Tools	Version Control & Collaboration
Deployment & Hosting		
Vercel - Frontend deployment	Development & Technical Tools	Deployment & Hosting
Netlify - JAMstack hosting	Development & Technical Tools	Deployment & Hosting
Heroku - Platform as a service	Development & Technical Tools	Deployment & Hosting
AWS - Amazon Web Services	Development & Technical Tools	Deployment & Hosting
Google Cloud - Google's cloud platform	Development & Technical Tools	Deployment & Hosting
Microsoft Azure - Microsoft's cloud	Development & Technical Tools	Deployment & Hosting
DigitalOcean - Simple cloud hosting	Development & Technical Tools	Deployment & Hosting
Linode - Linux cloud hosting	Development & Technical Tools	Deployment & Hosting
Vultr - High-performance cloud	Development & Technical Tools	Deployment & Hosting
Cloudflare - CDN and security	Development & Technical Tools	Deployment & Hosting
Finance & Accounting		
Accounting Software		
QuickBooks - Small business standard	Finance & Accounting	Accounting Software
Xero - Cloud-based accounting	Finance & Accounting	Accounting Software
FreshBooks - Freelancer-friendly	Finance & Accounting	Accounting Software
Wave - Free small business accounting	Finance & Accounting	Accounting Software
Sage - Enterprise accounting	Finance & Accounting	Accounting Software
NetSuite - ERP solution	Finance & Accounting	Accounting Software
Zoho Books - Part of Zoho suite	Finance & Accounting	Accounting Software
MYOB - Australian/NZ accounting	Finance & Accounting	Accounting Software
KashFlow - UK small business	Finance & Accounting	Accounting Software
Bench - Bookkeeping service	Finance & Accounting	Accounting Software
Invoicing & Payments		
Stripe - Online payment processing	Finance & Accounting	Invoicing & Payments
PayPal - Digital payments	Finance & Accounting	Invoicing & Payments
Square - Point of sale systems	Finance & Accounting	Invoicing & Payments
Invoice Ninja - Open source invoicing	Finance & Accounting	Invoicing & Payments
Zoho Invoice - Simple invoicing	Finance & Accounting	Invoicing & Payments
PandaDoc - Document automation	Finance & Accounting	Invoicing & Payments
HelloSign - Electronic signatures	Finance & Accounting	Invoicing & Payments
DocuSign - Digital signature leader	Finance & Accounting	Invoicing & Payments
Adobe Sign - PDF signature solution	Finance & Accounting	Invoicing & Payments
SignNow - Business e-signature	Finance & Accounting	Invoicing & Payments
Expense Management		
Expensify - Expense report automation	Finance & Accounting	Expense Management
Concur - Enterprise expense management	Finance & Accounting	Expense Management
Receipt Bank - Receipt processing	Finance & Accounting	Expense Management
Shoeboxed - Receipt organization	Finance & Accounting	Expense Management
ABUKAI - Photo receipt processing	Finance & Accounting	Expense Management
Zoho Expense - Part of Zoho suite	Finance & Accounting	Expense Management
Rydoo - European expense management	Finance & Accounting	Expense Management
Chrome River - Expense management	Finance & Accounting	Expense Management
Certify - Expense and invoice management	Finance & Accounting	Expense Management
Fyle - Real-time expense reporting	Finance & Accounting	Expense Management
Time Tracking & Scheduling		

Time Tracking		
Toggl - Simple time tracking	Time Tracking & Scheduling	Time Tracking
RescueTime - Automatic activity tracking	Time Tracking & Scheduling	Time Tracking
Clockify - Free time tracking	Time Tracking & Scheduling	Time Tracking
Harvest - Time tracking with invoicing	Time Tracking & Scheduling	Time Tracking
Time Doctor - Team time tracking	Time Tracking & Scheduling	Time Tracking
DeskTime - Automatic time tracking	Time Tracking & Scheduling	Time Tracking
TimeCamp - Project time tracking	Time Tracking & Scheduling	Time Tracking
Everhour - Team time tracking	Time Tracking & Scheduling	Time Tracking
Hubstaff - Employee monitoring	Time Tracking & Scheduling	Time Tracking
Timing (Mac) - Automatic time tracking	Time Tracking & Scheduling	Time Tracking
Calendar & Scheduling		
Google Calendar - Free calendar service	Time Tracking & Scheduling	Calendar & Scheduling
Outlook Calendar - Microsoft's calendar	Time Tracking & Scheduling	Calendar & Scheduling
Apple Calendar - Built-in Mac/iOS calendar	Time Tracking & Scheduling	Calendar & Scheduling
Calendly - Automated scheduling	Time Tracking & Scheduling	Calendar & Scheduling
Acuity Scheduling - Advanced booking	Time Tracking & Scheduling	Calendar & Scheduling
Schedule Once - Enterprise scheduling	Time Tracking & Scheduling	Calendar & Scheduling
When2meet - Group availability	Time Tracking & Scheduling	Calendar & Scheduling
Doodle - Poll-based scheduling	Time Tracking & Scheduling	Calendar & Scheduling
FindTime - Microsoft scheduling	Time Tracking & Scheduling	Calendar & Scheduling
x.ai - AI scheduling assistant	Time Tracking & Scheduling	Calendar & Scheduling
Focus & Productivity		
Forest - Gamified focus app	Time Tracking & Scheduling	Focus & Productivity
Freedom - Website and app blocker	Time Tracking & Scheduling	Focus & Productivity
Cold Turkey - Distraction blocker	Time Tracking & Scheduling	Focus & Productivity
StayFocusd - Chrome extension	Time Tracking & Scheduling	Focus & Productivity
Momentum - New tab page	Time Tracking & Scheduling	Focus & Productivity
Be Focused - Pomodoro timer	Time Tracking & Scheduling	Focus & Productivity
Focus Keeper - Time management	Time Tracking & Scheduling	Focus & Productivity
PomoDone - Pomodoro with task integration	Time Tracking & Scheduling	Focus & Productivity
Brain.fm - Focus music	Time Tracking & Scheduling	Focus & Productivity
Noisli - Background noise generator	Time Tracking & Scheduling	Focus & Productivity
Note-Taking & Knowledge Management		
Digital Note-Taking		
Notion - All-in-one workspace	Note-Taking & Knowledge Management	Digital Note-Taking
Obsidian - Linked note-taking	Note-Taking & Knowledge Management	Digital Note-Taking
Roam Research - Networked thought	Note-Taking & Knowledge Management	Digital Note-Taking
Logseq - Open-source knowledge graph	Note-Taking & Knowledge Management	Digital Note-Taking
RemNote - Spaced repetition notes	Note-Taking & Knowledge Management	Digital Note-Taking
Craft - Block-based writing	Note-Taking & Knowledge Management	Digital Note-Taking
Bear (Mac/iOS) - Markdown notes	Note-Taking & Knowledge Management	Digital Note-Taking
Ulysses - Long-form writing	Note-Taking & Knowledge Management	Digital Note-Taking
Day One - Digital journaling	Note-Taking & Knowledge Management	Digital Note-Taking
Journey - Cross-platform journaling	Note-Taking & Knowledge Management	Digital Note-Taking
Traditional Note Apps		
Evernote - The original digital notebook	Note-Taking & Knowledge Management	Traditional Note Apps
OneNote - Microsoft's note-taking	Note-Taking & Knowledge Management	Traditional Note Apps
Apple Notes - Built-in iOS/Mac notes	Note-Taking & Knowledge Management	Traditional Note Apps
Google Keep - Simple note-taking	Note-Taking & Knowledge Management	Traditional Note Apps
Simplenote - Minimalist notes	Note-Taking & Knowledge Management	Traditional Note Apps
Standard Notes - Privacy-focused notes	Note-Taking & Knowledge Management	Traditional Note Apps
Joplin - Open-source notes	Note-Taking & Knowledge Management	Traditional Note Apps
QOwnNotes - Plain text note-taking	Note-Taking & Knowledge Management	Traditional Note Apps
Trilium - Hierarchical note-taking	Note-Taking & Knowledge Management	Traditional Note Apps
TiddlyWiki - Non-linear documentation	Note-Taking & Knowledge Management	Traditional Note Apps
Knowledge Management		
Confluence - Team knowledge base	Note-Taking & Knowledge Management	Knowledge Management
GitBook - Documentation platform	Note-Taking & Knowledge Management	Knowledge Management

Bookstack - Self-hosted wiki	Note-Taking & Knowledge Management	Knowledge Management
DokuWiki - File-based wiki	Note-Taking & Knowledge Management	Knowledge Management
MediaWiki - Wikipedia's software	Note-Taking & Knowledge Management	Knowledge Management
Outline - Team knowledge base	Note-Taking & Knowledge Management	Knowledge Management
Slab - Modern team wiki	Note-Taking & Knowledge Management	Knowledge Management
Guru - Real-time knowledge	Note-Taking & Knowledge Management	Knowledge Management
Helpjuice - Knowledge base software	Note-Taking & Knowledge Management	Knowledge Management
Document360 - Customer knowledge base	Note-Taking & Knowledge Management	Knowledge Management
Automation & Workflows		
Workflow Automation		
Zapier - Connect apps without code	Automation & Workflows	Workflow Automation
IFTTT - If This Then That	Automation & Workflows	Workflow Automation
Microsoft Power Automate - Microsoft's automation	Automation & Workflows	Workflow Automation
Integromat (Make) - Visual automation	Automation & Workflows	Workflow Automation
n8n - Open-source automation	Automation & Workflows	Workflow Automation
Automate.io - Simple app integration	Automation & Workflows	Workflow Automation
Pabbly Connect - Affordable automation	Automation & Workflows	Workflow Automation
Integrately - One-click integrations	Automation & Workflows	Workflow Automation
Workato - Enterprise automation	Automation & Workflows	Workflow Automation
Tray.io - iPaaS platform	Automation & Workflows	Workflow Automation
Business Process Automation		
Monday.com - Work operating system	Automation & Workflows	Business Process Automation
Airtable - Database automation	Automation & Workflows	Business Process Automation
Notion - Workspace automation	Automation & Workflows	Business Process Automation
ClickUp - Task automation	Automation & Workflows	Business Process Automation
Asana - Project automation	Automation & Workflows	Business Process Automation
Process Street - Workflow checklists	Automation & Workflows	Business Process Automation
Nintex - Process automation platform	Automation & Workflows	Business Process Automation
K2 - Business process automation	Automation & Workflows	Business Process Automation
Appian - Low-code automation	Automation & Workflows	Business Process Automation
OutSystems - Application development	Automation & Workflows	Business Process Automation
Data Integration		
Fivetran - Automated data integration	Automation & Workflows	Data Integration
Stitch - ETL for startups	Automation & Workflows	Data Integration
Segment - Customer data platform	Automation & Workflows	Data Integration
Snowflake - Cloud data platform	Automation & Workflows	Data Integration
Databricks - Analytics platform	Automation & Workflows	Data Integration
Apache Airflow - Workflow orchestration	Automation & Workflows	Data Integration
Luigi - Python workflow management	Automation & Workflows	Data Integration
Prefect - Modern workflow orchestration	Automation & Workflows	Data Integration
Dagster - Data orchestration	Automation & Workflows	Data Integration
Apache NiFi - Data flow automation	Automation & Workflows	Data Integration
Cloud Storage & File Management		
Personal Cloud Storage		
Google Drive - 15GB free storage	Cloud Storage & File Management	Personal Cloud Storage
Dropbox - File sync pioneer	Cloud Storage & File Management	Personal Cloud Storage
OneDrive - Microsoft's cloud storage	Cloud Storage & File Management	Personal Cloud Storage
iCloud - Apple's ecosystem storage	Cloud Storage & File Management	Personal Cloud Storage
Box - Business-focused storage	Cloud Storage & File Management	Personal Cloud Storage
pCloud - Lifetime storage plans	Cloud Storage & File Management	Personal Cloud Storage
MEGA - Secure cloud storage	Cloud Storage & File Management	Personal Cloud Storage
SpiderOak - Zero-knowledge storage	Cloud Storage & File Management	Personal Cloud Storage
Tresorit - Encrypted cloud storage	Cloud Storage & File Management	Personal Cloud Storage
Sync.com - Privacy-focused storage	Cloud Storage & File Management	Personal Cloud Storage
Business File Management		
SharePoint - Microsoft collaboration	Cloud Storage & File Management	Business File Management
Google Workspace - Business file sharing	Cloud Storage & File Management	Business File Management
Box - Enterprise content management	Cloud Storage & File Management	Business File Management
Citrix ShareFile - Secure file sharing	Cloud Storage & File Management	Business File Management

Egnyte - Hybrid cloud storage	Cloud Storage & File Management	Business File Management
Nextcloud - Self-hosted cloud	Cloud Storage & File Management	Business File Management
ownCloud - Private cloud solution	Cloud Storage & File Management	Business File Management
Seafile - Open-source sync	Cloud Storage & File Management	Business File Management
Synology - NAS solutions	Cloud Storage & File Management	Business File Management
QNAP - Network attached storage	Cloud Storage & File Management	Business File Management
File Transfer		
WeTransfer - Simple large file sharing	Cloud Storage & File Management	File Transfer
SendAnywhere - Cross-platform transfer	Cloud Storage & File Management	File Transfer
Firefox Send - Encrypted file sharing	Cloud Storage & File Management	File Transfer
Filemail - Large file email	Cloud Storage & File Management	File Transfer
Hightail - Creative collaboration	Cloud Storage & File Management	File Transfer
Masv - Large file transfer	Cloud Storage & File Management	File Transfer
Aspera - High-speed transfer	Cloud Storage & File Management	File Transfer
Signiant - Media file transfer	Cloud Storage & File Management	File Transfer
FileCatalyst - Accelerated transfer	Cloud Storage & File Management	File Transfer
Resilio Sync - P2P file sync	Cloud Storage & File Management	File Transfer
Security & Privacy Tools		
Password Management		
1Password - Family and business passwords	Security & Privacy Tools	Password Management
Bitwarden - Open-source password manager	Security & Privacy Tools	Password Management
LastPass - Popular password manager	Security & Privacy Tools	Password Management
Dashlane - Password manager with VPN	Security & Privacy Tools	Password Management
KeePass - Offline password database	Security & Privacy Tools	Password Management
Enpass - Offline password manager	Security & Privacy Tools	Password Management
RoboForm - Form-filling password manager	Security & Privacy Tools	Password Management
Sticky Password - Biometric authentication	Security & Privacy Tools	Password Management
True Key - Intel's password manager	Security & Privacy Tools	Password Management
Zoho Vault - Business password manager	Security & Privacy Tools	Password Management
VPN Services		
NordVPN - Popular consumer VPN	Security & Privacy Tools	VPN Services
ExpressVPN - Fast VPN service	Security & Privacy Tools	VPN Services
Surfshark - Unlimited device VPN	Security & Privacy Tools	VPN Services
CyberGhost - User-friendly VPN	Security & Privacy Tools	VPN Services
ProtonVPN - Privacy-focused VPN	Security & Privacy Tools	VPN Services
Mullvad - Anonymous VPN service	Security & Privacy Tools	VPN Services
Private Internet Access - No-logs VPN	Security & Privacy Tools	VPN Services
Windscribe - Free tier VPN	Security & Privacy Tools	VPN Services
TunnelBear - Simple VPN interface	Security & Privacy Tools	VPN Services
IPVanish - VPN for streaming	Security & Privacy Tools	VPN Services
Security Tools		
Malwarebytes - Anti-malware protection	Security & Privacy Tools	Security Tools
Norton - Comprehensive security suite	Security & Privacy Tools	Security Tools
McAfee - Consumer security software	Security & Privacy Tools	Security Tools
Bitdefender - Advanced threat protection	Security & Privacy Tools	Security Tools
Kaspersky - Russian security software	Security & Privacy Tools	Security Tools
Avast - Free antivirus option	Security & Privacy Tools	Security Tools
AVG - Consumer antivirus	Security & Privacy Tools	Security Tools
ESET - European security company	Security & Privacy Tools	Security Tools
Trend Micro - Business security	Security & Privacy Tools	Security Tools
Sophos - Enterprise security	Security & Privacy Tools	Security Tools
Analytics & Data Tools		
Web Analytics		
Google Analytics - Free web analytics	Analytics & Data Tools	Web Analytics
Adobe Analytics - Enterprise web analytics	Analytics & Data Tools	Web Analytics
Mixpanel - Event tracking analytics	Analytics & Data Tools	Web Analytics
Amplitude - Product analytics	Analytics & Data Tools	Web Analytics
Hotjar - User behavior analytics	Analytics & Data Tools	Web Analytics
Crazy Egg - Heatmap analytics	Analytics & Data Tools	Web Analytics

FullStory - Session recording	Analytics & Data Tools	Web Analytics
LogRocket - Frontend monitoring	Analytics & Data Tools	Web Analytics
Mouseflow - User session recording	Analytics & Data Tools	Web Analytics
Lucky Orange - Real-time analytics	Analytics & Data Tools	Web Analytics
Business Intelligence		
Tableau - Data visualization leader	Analytics & Data Tools	Business Intelligence
Power BI - Microsoft's BI platform	Analytics & Data Tools	Business Intelligence
Looker - Modern BI platform	Analytics & Data Tools	Business Intelligence
QlikView - Self-service BI	Analytics & Data Tools	Business Intelligence
Sisense - AI-driven analytics	Analytics & Data Tools	Business Intelligence
Domo - Cloud-based BI	Analytics & Data Tools	Business Intelligence
Chartio - Data exploration	Analytics & Data Tools	Business Intelligence
Metabase - Open-source BI	Analytics & Data Tools	Business Intelligence
Grafana - Monitoring and observability	Analytics & Data Tools	Business Intelligence
Kibana - Elasticsearch visualization	Analytics & Data Tools	Business Intelligence
Data Management		
Snowflake - Cloud data platform	Analytics & Data Tools	Data Management
BigQuery - Google's data warehouse	Analytics & Data Tools	Data Management
Redshift - Amazon's data warehouse	Analytics & Data Tools	Data Management
Databricks - Unified analytics platform	Analytics & Data Tools	Data Management
Apache Spark - Big data processing	Analytics & Data Tools	Data Management
Hadoop - Distributed storage	Analytics & Data Tools	Data Management
MongoDB - NoSQL database	Analytics & Data Tools	Data Management
PostgreSQL - Open-source database	Analytics & Data Tools	Data Management
MySQL - Popular database	Analytics & Data Tools	Data Management
Redis - In-memory database	Analytics & Data Tools	Data Management
Learning & Development		
Online Learning Platforms		
Coursera - University courses online	Learning & Development	Online Learning Platforms
Udemy - Marketplace for courses	Learning & Development	Online Learning Platforms
LinkedIn Learning - Professional development	Learning & Development	Online Learning Platforms
Skillshare - Creative skills platform	Learning & Development	Online Learning Platforms
MasterClass - Celebrity-taught classes	Learning & Development	Online Learning Platforms
Pluralsight - Technology training	Learning & Development	Online Learning Platforms
Udacity - Tech career programs	Learning & Development	Online Learning Platforms
edX - University partnerships	Learning & Development	Online Learning Platforms
Khan Academy - Free education	Learning & Development	Online Learning Platforms
Codecademy - Interactive coding	Learning & Development	Online Learning Platforms
Language Learning		
Duolingo - Gamified language learning	Learning & Development	Language Learning
Babbel - Conversation-focused learning	Learning & Development	Language Learning
Rosetta Stone - Immersion method	Learning & Development	Language Learning
Busuu - Social language learning	Learning & Development	Language Learning
Memrise - Memory-based learning	Learning & Development	Language Learning
HelloTalk - Language exchange	Learning & Development	Language Learning
italki - 1-on-1 language tutoring	Learning & Development	Language Learning
Lingoda - Online language school	Learning & Development	Language Learning
FluentU - Real-world video content	Learning & Development	Language Learning
Anki - Spaced repetition flashcards	Learning & Development	Language Learning
Skill Development		
Brilliant - Math and science concepts	Learning & Development	Skill Development
DataCamp - Data science skills	Learning & Development	Skill Development
Treehouse - Web development	Learning & Development	Skill Development
FreeCodeCamp - Free coding bootcamp	Learning & Development	Skill Development
The Odin Project - Full-stack curriculum	Learning & Development	Skill Development
LeetCode - Coding interview prep	Learning & Development	Skill Development
HackerRank - Programming challenges	Learning & Development	Skill Development
Codewars - Coding kata	Learning & Development	Skill Development
Exercism - Programming exercises	Learning & Development	Skill Development

Project Euler - Mathematical problems	Learning & Development	Skill Development
E-commerce & Business Tools		
E-commerce Platforms		
Shopify - Complete e-commerce solution	E-commerce & Business Tools	E-commerce Platforms
WooCommerce - WordPress e-commerce	E-commerce & Business Tools	E-commerce Platforms
BigCommerce - Enterprise e-commerce	E-commerce & Business Tools	E-commerce Platforms
Magento - Open-source e-commerce	E-commerce & Business Tools	E-commerce Platforms
Squarespace Commerce - Design-focused stores	E-commerce & Business Tools	E-commerce Platforms
Wix Stores - Drag-and-drop commerce	E-commerce & Business Tools	E-commerce Platforms
PrestaShop - Free e-commerce software	E-commerce & Business Tools	E-commerce Platforms
OpenCart - PHP-based e-commerce	E-commerce & Business Tools	E-commerce Platforms
Zen Cart - Free shopping cart	E-commerce & Business Tools	E-commerce Platforms
osCommerce - Open-source commerce	E-commerce & Business Tools	E-commerce Platforms
Payment Processing		
Stripe - Developer-friendly payments	E-commerce & Business Tools	Payment Processing
PayPal - Global payment platform	E-commerce & Business Tools	Payment Processing
Square - In-person and online payments	E-commerce & Business Tools	Payment Processing
Authorize.Net - Payment gateway	E-commerce & Business Tools	Payment Processing
Braintree - PayPal's payment platform	E-commerce & Business Tools	Payment Processing
2Checkout - Global payment processing	E-commerce & Business Tools	Payment Processing
Worldpay - Enterprise payments	E-commerce & Business Tools	Payment Processing
Adyen - Unified commerce platform	E-commerce & Business Tools	Payment Processing
Klarna - Buy now, pay later	E-commerce & Business Tools	Payment Processing
Afterpay - Installment payments	E-commerce & Business Tools	Payment Processing
Inventory Management		
TradeGecko - Inventory and order management	E-commerce & Business Tools	Inventory Management
inFlow - Inventory management software	E-commerce & Business Tools	Inventory Management
Zoho Inventory - Multi-channel inventory	E-commerce & Business Tools	Inventory Management
Cin7 - Inventory management platform	E-commerce & Business Tools	Inventory Management
DEAR Systems - Cloud inventory management	E-commerce & Business Tools	Inventory Management
Fishbowl - Manufacturing inventory	E-commerce & Business Tools	Inventory Management
NetSuite - ERP with inventory	E-commerce & Business Tools	Inventory Management
Sage X3 - Enterprise inventory	E-commerce & Business Tools	Inventory Management
Microsoft Dynamics - Business applications	E-commerce & Business Tools	Inventory Management
SAP - Enterprise resource planning	E-commerce & Business Tools	Inventory Management
Media & Entertainment Tools		
Music & Audio		
Spotify - Music streaming service	Media & Entertainment Tools	Music & Audio
Apple Music - Apple's streaming service	Media & Entertainment Tools	Music & Audio
YouTube Music - Google's music platform	Media & Entertainment Tools	Music & Audio
Amazon Music - Amazon's streaming service	Media & Entertainment Tools	Music & Audio
Tidal - High-fidelity music streaming	Media & Entertainment Tools	Music & Audio
Deezer - Music streaming platform	Media & Entertainment Tools	Music & Audio
SoundCloud - User-generated audio	Media & Entertainment Tools	Music & Audio
Bandcamp - Independent music platform	Media & Entertainment Tools	Music & Audio
Pandora - Internet radio service	Media & Entertainment Tools	Music & Audio
iHeartRadio - Radio and podcasts	Media & Entertainment Tools	Music & Audio
Audio Production		
Pro Tools - Professional audio editing	Media & Entertainment Tools	Audio Production
Logic Pro - Mac-based music production	Media & Entertainment Tools	Audio Production
Ableton Live - Electronic music production	Media & Entertainment Tools	Audio Production
FL Studio - Windows music production	Media & Entertainment Tools	Audio Production
Reaper - Affordable DAW	Media & Entertainment Tools	Audio Production
GarageBand - Beginner music production	Media & Entertainment Tools	Audio Production
Audacity - Free audio editing	Media & Entertainment Tools	Audio Production
Adobe Audition - Audio editing suite	Media & Entertainment Tools	Audio Production
Hindenburg - Journalism audio editing	Media & Entertainment Tools	Audio Production
Descript - Text-based audio editing	Media & Entertainment Tools	Audio Production

Video Streaming & Production

Netflix - Video streaming leader	Media & Entertainment Tools	Video Streaming & Production
YouTube - User-generated video	Media & Entertainment Tools	Video Streaming & Production
Vimeo - Professional video hosting	Media & Entertainment Tools	Video Streaming & Production
Twitch - Live streaming platform	Media & Entertainment Tools	Video Streaming & Production
OBS Studio - Free streaming software	Media & Entertainment Tools	Video Streaming & Production
Streamlabs - Streaming tools	Media & Entertainment Tools	Video Streaming & Production
XSplit - Broadcasting software	Media & Entertainment Tools	Video Streaming & Production
Wirecast - Live streaming production	Media & Entertainment Tools	Video Streaming & Production
vMix - Live production software	Media & Entertainment Tools	Video Streaming & Production
Lightstream - Cloud-based streaming	Media & Entertainment Tools	Video Streaming & Production

Database & Data Management

Relational Databases

PostgreSQL - Advanced open-source database	Database & Data Management	Relational Databases
MySQL - Popular open-source database	Database & Data Management	Relational Databases
SQLite - Lightweight embedded database	Database & Data Management	Relational Databases
Microsoft SQL Server - Enterprise Windows database	Database & Data Management	Relational Databases
Oracle Database - Enterprise-grade database	Database & Data Management	Relational Databases
MariaDB - MySQL fork with enhancements	Database & Data Management	Relational Databases
Amazon RDS - Managed relational database service	Database & Data Management	Relational Databases
Google Cloud SQL - Managed database service	Database & Data Management	Relational Databases

NoSQL Databases

MongoDB - Document database	Database & Data Management	NoSQL Databases
Redis - In-memory data structure store	Database & Data Management	NoSQL Databases
Cassandra - Wide-column distributed database	Database & Data Management	NoSQL Databases
DynamoDB - Amazon's NoSQL database	Database & Data Management	NoSQL Databases
Firebase Firestore - Google's NoSQL database	Database & Data Management	NoSQL Databases
CouchDB - Document database with REST API	Database & Data Management	NoSQL Databases
Neo4j - Graph database	Database & Data Management	NoSQL Databases
InfluxDB - Time-series database	Database & Data Management	NoSQL Databases

Data Warehousing & Analytics

Snowflake - Cloud data platform	Database & Data Management	Data Warehousing & Analytics
BigQuery - Google's data warehouse	Database & Data Management	Data Warehousing & Analytics
Redshift - Amazon's data warehouse	Database & Data Management	Data Warehousing & Analytics
Databricks - Unified analytics platform	Database & Data Management	Data Warehousing & Analytics
Apache Spark - Big data processing	Database & Data Management	Data Warehousing & Analytics
Hadoop - Distributed storage and processing	Database & Data Management	Data Warehousing & Analytics
Elasticsearch - Search and analytics engine	Database & Data Management	Data Warehousing & Analytics
Splunk - Data platform for IT operations	Database & Data Management	Data Warehousing & Analytics

DevOps & Infrastructure Tools

Cloud Platforms

Amazon Web Services (AWS) - The cloud computing giant	DevOps & Infrastructure Tools	Cloud Platforms
Google Cloud Platform - Google's cloud services	DevOps & Infrastructure Tools	Cloud Platforms
Microsoft Azure - Microsoft's cloud platform	DevOps & Infrastructure Tools	Cloud Platforms
DigitalOcean - Simple cloud hosting	DevOps & Infrastructure Tools	Cloud Platforms
Linode - Linux cloud hosting	DevOps & Infrastructure Tools	Cloud Platforms
Vultr - High-performance cloud computing	DevOps & Infrastructure Tools	Cloud Platforms
IBM Cloud - Enterprise cloud services	DevOps & Infrastructure Tools	Cloud Platforms
Oracle Cloud - Database-focused cloud platform	DevOps & Infrastructure Tools	Cloud Platforms

Container & Orchestration

Docker - Application containerization	DevOps & Infrastructure Tools	Container & Orchestration
Kubernetes - Container orchestration	DevOps & Infrastructure Tools	Container & Orchestration
Docker Compose - Multi-container applications	DevOps & Infrastructure Tools	Container & Orchestration
Helm - Kubernetes package manager	DevOps & Infrastructure Tools	Container & Orchestration
OpenShift - Red Hat's Kubernetes platform	DevOps & Infrastructure Tools	Container & Orchestration
Rancher - Kubernetes management platform	DevOps & Infrastructure Tools	Container & Orchestration
Podman - Daemonless container engine	DevOps & Infrastructure Tools	Container & Orchestration
LXC/LXD - Linux containers	DevOps & Infrastructure Tools	Container & Orchestration

CI/CD & Automation

Jenkins - Open-source automation server	DevOps & Infrastructure Tools	CI/CD & Automation
GitHub Actions - GitHub's CI/CD platform	DevOps & Infrastructure Tools	CI/CD & Automation
GitLab CI - Integrated CI/CD	DevOps & Infrastructure Tools	CI/CD & Automation
CircleCI - Cloud-based CI/CD	DevOps & Infrastructure Tools	CI/CD & Automation
Travis CI - Continuous integration service	DevOps & Infrastructure Tools	CI/CD & Automation
Azure DevOps - Microsoft's DevOps platform	DevOps & Infrastructure Tools	CI/CD & Automation
TeamCity - JetBrains CI/CD server	DevOps & Infrastructure Tools	CI/CD & Automation
Bamboo - Atlassian's CI/CD tool	DevOps & Infrastructure Tools	CI/CD & Automation

Monitoring & Observability

New Relic - Application performance monitoring	DevOps & Infrastructure Tools	Monitoring & Observability
Datadog - Infrastructure monitoring	DevOps & Infrastructure Tools	Monitoring & Observability
Splunk - Data platform and monitoring	DevOps & Infrastructure Tools	Monitoring & Observability
Grafana - Visualization and monitoring	DevOps & Infrastructure Tools	Monitoring & Observability
Prometheus - Open-source monitoring	DevOps & Infrastructure Tools	Monitoring & Observability
Elastic Stack - Search, logging, and analytics	DevOps & Infrastructure Tools	Monitoring & Observability
Nagios - IT infrastructure monitoring	DevOps & Infrastructure Tools	Monitoring & Observability
Zabbix - Enterprise monitoring solution	DevOps & Infrastructure Tools	Monitoring & Observability

Testing & Quality Assurance

Software Testing Frameworks

Jest - JavaScript testing framework	Testing & Quality Assurance	Software Testing Frameworks
Selenium - Web application testing	Testing & Quality Assurance	Software Testing Frameworks
Cypress - End-to-end testing	Testing & Quality Assurance	Software Testing Frameworks
Playwright - Cross-browser automation	Testing & Quality Assurance	Software Testing Frameworks
TestNG - Java testing framework	Testing & Quality Assurance	Software Testing Frameworks
JUnit - Java unit testing	Testing & Quality Assurance	Software Testing Frameworks
PyTest - Python testing framework	Testing & Quality Assurance	Software Testing Frameworks
RSpec - Ruby testing framework	Testing & Quality Assurance	Software Testing Frameworks
Mocha - JavaScript test framework	Testing & Quality Assurance	Software Testing Frameworks
Jasmine - Behavior-driven testing	Testing & Quality Assurance	Software Testing Frameworks

API Testing Tools

Postman - API development environment	Testing & Quality Assurance	API Testing Tools
Insomnia - REST client	Testing & Quality Assurance	API Testing Tools
SoapUI - API testing platform	Testing & Quality Assurance	API Testing Tools
REST Assured - Java API testing	Testing & Quality Assurance	API Testing Tools
Newman - Command-line Postman	Testing & Quality Assurance	API Testing Tools
Paw - Mac API testing tool	Testing & Quality Assurance	API Testing Tools
Thunder Client - VS Code REST client	Testing & Quality Assurance	API Testing Tools
HTTPie - Command-line HTTP client	Testing & Quality Assurance	API Testing Tools

Performance Testing

Performance Testing	Testing & Quality Assurance	Performance Testing
JMeter - Load testing tool	Testing & Quality Assurance	Performance Testing
LoadRunner - Enterprise performance testing	Testing & Quality Assurance	Performance Testing
Gatling - High-performance load testing	Testing & Quality Assurance	Performance Testing
k6 - Developer-centric load testing	Testing & Quality Assurance	Performance Testing
Artillery - Toolkit for load testing	Testing & Quality Assurance	Performance Testing
WebPageTest - Website performance testing	Testing & Quality Assurance	Performance Testing
GTmetrix - Website speed analysis	Testing & Quality Assurance	Performance Testing
Pingdom - Website monitoring	Testing & Quality Assurance	Performance Testing

A/B Testing & Optimization

Optimizely - Digital experience platform	Testing & Quality Assurance	A/B Testing & Optimization
VWO - Website optimization	Testing & Quality Assurance	A/B Testing & Optimization
Google Optimize - Free A/B testing	Testing & Quality Assurance	A/B Testing & Optimization
Adobe Target - Personalization platform	Testing & Quality Assurance	A/B Testing & Optimization
Unbounce - Landing page optimization	Testing & Quality Assurance	A/B Testing & Optimization
Hotjar - User behavior analytics	Testing & Quality Assurance	A/B Testing & Optimization
FullStory - Digital experience analytics	Testing & Quality Assurance	A/B Testing & Optimization
Amplitude - Product analytics	Testing & Quality Assurance	A/B Testing & Optimization

API & Integration Tools

API Management

Postman - API development platform	API & Integration Tools	API Management
Swagger/OpenAPI - API documentation	API & Integration Tools	API Management
Insomnia - API client	API & Integration Tools	API Management
RapidAPI - API marketplace	API & Integration Tools	API Management
Kong - API gateway platform	API & Integration Tools	API Management
AWS API Gateway - Managed API service	API & Integration Tools	API Management
Azure API Management - Microsoft API platform	API & Integration Tools	API Management
Apigee - Google's API management	API & Integration Tools	API Management

Integration Platforms

Zapier - No-code automation	API & Integration Tools	Integration Platforms
IFTTT - Simple automation	API & Integration Tools	Integration Platforms
Microsoft Power Automate - Business automation	API & Integration Tools	Integration Platforms
MuleSoft - Enterprise integration	API & Integration Tools	Integration Platforms
Dell Boomi - Cloud integration	API & Integration Tools	Integration Platforms
Workato - Enterprise automation	API & Integration Tools	Integration Platforms
Tray.io - General automation platform	API & Integration Tools	Integration Platforms
Integromat (Make) - Visual automation	API & Integration Tools	Integration Platforms

Webhook & Real-time Tools

ngrok - Secure tunneling	API & Integration Tools	Webhook & Real-time Tools
Pusher - Real-time communication	API & Integration Tools	Webhook & Real-time Tools
Socket.io - Real-time engine	API & Integration Tools	Webhook & Real-time Tools
Firebase - Real-time database	API & Integration Tools	Webhook & Real-time Tools
Ably - Real-time messaging	API & Integration Tools	Webhook & Real-time Tools
PubNub - Real-time communication	API & Integration Tools	Webhook & Real-time Tools
AWS AppSync - Real-time data sync	API & Integration Tools	Webhook & Real-time Tools
GraphQL - Query language for APIs	API & Integration Tools	Webhook & Real-time Tools

Hardware & Equipment Tools

Computer Hardware

Apple MacBook - Creative professional standard	Hardware & Equipment Tools	Computer Hardware
Dell XPS - Premium Windows laptops	Hardware & Equipment Tools	Computer Hardware
ThinkPad - Business laptop reliability	Hardware & Equipment Tools	Computer Hardware
Surface - Microsoft's hardware line	Hardware & Equipment Tools	Computer Hardware
Framework Laptop - Modular, repairable laptop	Hardware & Equipment Tools	Computer Hardware
System76 - Linux-focused computers	Hardware & Equipment Tools	Computer Hardware
Custom PC Builders - Micro Center, Newegg, etc.	Hardware & Equipment Tools	Computer Hardware
Workstations - HP Z-series, Dell Precision	Hardware & Equipment Tools	Computer Hardware

Audio Equipment

Blue Yeti - Popular USB microphone	Hardware & Equipment Tools	Audio Equipment
Audio-Technica ATR2100x - Professional microphone	Hardware & Equipment Tools	Audio Equipment
Sony WH-1000XM4 - Noise-canceling headphones	Hardware & Equipment Tools	Audio Equipment
Shure SM7B - Broadcast microphone	Hardware & Equipment Tools	Audio Equipment
Focusrite Scarlett - Audio interfaces	Hardware & Equipment Tools	Audio Equipment
Zoom H1n - Portable recorder	Hardware & Equipment Tools	Audio Equipment
Rode PodMic - Podcasting microphone	Hardware & Equipment Tools	Audio Equipment
Beyerdynamic DT 770 - Studio headphones	Hardware & Equipment Tools	Audio Equipment

Video Equipment

Logitech C920 - Webcam standard	Hardware & Equipment Tools	Video Equipment
Sony a7S III - Video camera	Hardware & Equipment Tools	Video Equipment
Canon EOS R5 - Hybrid camera	Hardware & Equipment Tools	Video Equipment
Elgato Stream Deck - Content creation controller	Hardware & Equipment Tools	Video Equipment
Elgato Key Light - LED lighting	Hardware & Equipment Tools	Video Equipment
Neewer LED Panels - Budget lighting	Hardware & Equipment Tools	Video Equipment
Rode Wireless GO - Wireless microphone system	Hardware & Equipment Tools	Video Equipment
OBS-compatible devices - Capture cards, etc.	Hardware & Equipment Tools	Video Equipment

Office Equipment

Standing Desks - Varidesk, Uplift, etc.	Hardware & Equipment Tools	Office Equipment
Ergonomic Chairs - Herman Miller, Steelcase, etc.	Hardware & Equipment Tools	Office Equipment

Tool	Category	Subcategory
Monitors - LG UltraWide, Dell UltraSharp, etc.	Hardware & Equipment Tools	Office Equipment
Keyboard & Mouse - Mechanical keyboards, ergonomic mice	Hardware & Equipment Tools	Office Equipment
Webcams - Logitech, Razer, etc.	Hardware & Equipment Tools	Office Equipment
Printers - Brother, HP, Canon	Hardware & Equipment Tools	Office Equipment
Scanners - Fujitsu ScanSnap, etc.	Hardware & Equipment Tools	Office Equipment
Networking Equipment - Ubiquiti, Netgear, etc.	Hardware & Equipment Tools	Office Equipment
Legal & Compliance Tools		
Legal Document Management		
LegalZoom - DIY legal services	Legal & Compliance Tools	Legal Document Management
Rocket Lawyer - Legal document creation	Legal & Compliance Tools	Legal Document Management
LawDepot - Legal forms and documents	Legal & Compliance Tools	Legal Document Management
Nolo - Legal information and forms	Legal & Compliance Tools	Legal Document Management
Contract Tools - PandaDoc, DocuSign, etc.	Legal & Compliance Tools	Legal Document Management
IP Management - Trademark and patent tools	Legal & Compliance Tools	Legal Document Management
Corporate Filings - State filing services	Legal & Compliance Tools	Legal Document Management
Legal Research - Westlaw, LexisNexis	Legal & Compliance Tools	Legal Document Management
Privacy & Compliance		
OneTrust - Privacy management platform	Legal & Compliance Tools	Privacy & Compliance
TrustArc - Privacy compliance	Legal & Compliance Tools	Privacy & Compliance
Cookiebot - Cookie consent management	Legal & Compliance Tools	Privacy & Compliance
Osano - Data privacy platform	Legal & Compliance Tools	Privacy & Compliance
Usercentrics - Consent management	Legal & Compliance Tools	Privacy & Compliance
GDPR compliance tools - Various specialized tools	Legal & Compliance Tools	Privacy & Compliance
SOC 2 compliance - Vanta, SecureFrame, etc.	Legal & Compliance Tools	Privacy & Compliance
HIPAA compliance - Healthcare-specific tools	Legal & Compliance Tools	Privacy & Compliance
Business Registration & Licensing		
Incfile - Business formation	Legal & Compliance Tools	Business Registration & Licensing
ZenBusiness - LLC formation	Legal & Compliance Tools	Business Registration & Licensing
Northwest Registered Agent - Registered agent services	Legal & Compliance Tools	Business Registration & Licensing
MyCorporation - Business formation services	Legal & Compliance Tools	Business Registration & Licensing
State government portals - Direct filing options	Legal & Compliance Tools	Business Registration & Licensing
EIN application - IRS business tax ID	Legal & Compliance Tools	Business Registration & Licensing
Business licenses - Local and state licensing	Legal & Compliance Tools	Business Registration & Licensing
Professional licenses - Industry-specific licensing	Legal & Compliance Tools	Business Registration & Licensing
HR & Recruiting Tools		
Applicant Tracking Systems		
Greenhouse - Hiring platform	HR & Recruiting Tools	Applicant Tracking Systems
Lever - Talent acquisition suite	HR & Recruiting Tools	Applicant Tracking Systems
BambooHR - HR software platform	HR & Recruiting Tools	Applicant Tracking Systems
Workday - Enterprise HR platform	HR & Recruiting Tools	Applicant Tracking Systems
ADP - Payroll and HR services	HR & Recruiting Tools	Applicant Tracking Systems
Gusto - Small business HR platform	HR & Recruiting Tools	Applicant Tracking Systems
Namely - Mid-market HR platform	HR & Recruiting Tools	Applicant Tracking Systems
UltiPro - HR management system	HR & Recruiting Tools	Applicant Tracking Systems
Job Posting & Sourcing		
LinkedIn Recruiter - Professional network recruiting	HR & Recruiting Tools	Job Posting & Sourcing
Indeed - Job posting platform	HR & Recruiting Tools	Job Posting & Sourcing
Glassdoor - Company reviews and jobs	HR & Recruiting Tools	Job Posting & Sourcing
ZipRecruiter - Job distribution service	HR & Recruiting Tools	Job Posting & Sourcing
Monster - Job search website	HR & Recruiting Tools	Job Posting & Sourcing
CareerBuilder - Talent acquisition platform	HR & Recruiting Tools	Job Posting & Sourcing
AngelList - Startup job platform	HR & Recruiting Tools	Job Posting & Sourcing
Stack Overflow Jobs - Developer-focused jobs	HR & Recruiting Tools	Job Posting & Sourcing
Background Checks & Verification		
Checkr - Background check platform	HR & Recruiting Tools	Background Checks & Verification
HireRight - Employment screening	HR & Recruiting Tools	Background Checks & Verification
Sterling - Background verification	HR & Recruiting Tools	Background Checks & Verification
GoodHire - Online background checks	HR & Recruiting Tools	Background Checks & Verification

Accurate Background - Screening services	HR & Recruiting Tools	Background Checks & Verification
First Advantage - Background screening	HR & Recruiting Tools	Background Checks & Verification
Employment verification - Various services	HR & Recruiting Tools	Background Checks & Verification
Reference checking - Automated reference tools	HR & Recruiting Tools	Background Checks & Verification
Employee Engagement & Performance		
15Five - Performance management	HR & Recruiting Tools	Employee Engagement & Performance
Lattice - People management platform	HR & Recruiting Tools	Employee Engagement & Performance
Culture Amp - Employee feedback platform	HR & Recruiting Tools	Employee Engagement & Performance
Officevibe - Employee engagement	HR & Recruiting Tools	Employee Engagement & Performance
